

**SECOND INFORMATION LETTER**  
**International Conference on Mathematics, Mechanics, Information Technologies, and**  
**Artificial Intelligence (ICMM&IT 2025)**  
**September 24–26, 2025**  
**Almaty, Kazakhstan**

**ORGANIZERS**

- **Al-Farabi Kazakh National University**
- **National Engineering Academy of the Republic of Kazakhstan**
- **Institute of Mathematics and Mathematical Modeling**
- **Joldasbekov Institute of Mechanics and Engineering**
- **Institute of Information and Computational Technologies**

**CONFERENCE OBJECTIVES**

The conference is dedicated to discussing modern scientific achievements, exchanging experiences among researchers, and developing cooperation in mathematics, mechanics, information technologies, and artificial intelligence.

**MAIN TOPICS**

- ◆ **Fundamental and applied mathematics, mathematical modelling**
- ◆ **Mechanics, robotics, and space technologies**
- ◆ **Computational and information technologies**
- ◆ **Artificial intelligence and intelligent control systems**

**PARTICIPATION AND PUBLICATION**

✓ Scientists, lecturers, researchers, doctoral students, master's students, and undergraduate students are invited to participate.

✓ Participation format: in-person, online, poster presentation.

✓ Working languages: English, Kazakh, Russian.

✓ Proceedings of the conference will be published with the possibility of indexing in international scientific database Scopus (Springer Nature).

✓ The best presentations by conference participants will be awarded certificates, and the best works by young scientists will receive prizes from the Conference sponsors of up to 250,000 tenge.
